

I'M SORRY, JOHN

I still remember though it was back in the days
When you imagined a place, where we all live as one
Where only sky is above, we do bed ins and make love
And all the hatred is gone

If you can hear me now
Tell me, would you be disappointed?
We still need a new start
'Cause so far we missed the mark

I'm sorry, John
Now look around here
What's going on?
I guess that's not what you had in mind
All I can say is that...

I'm sorry, John
Now let's slow down here
And get things done
'Cause I guess we're running out of time
But i know that we can make it somehow

And now a younger generation is here
Innocent and sincere, look at my little son
I wish you freedom and ease, a world forever at peace
And words you can rely on

But to be honest now
I'm sad to say that we missed the point and
Though we need a new start
It's far from eye and heart

I'm sorry, John
Now look around here
What's going on?
I guess that's not what you had in mind
All I can say is that...

I'm sorry, John
Now let's slow down here
And get things done
'Cause I guess we're running out of time
But I know that we can make it somehow

Na, na, na, na, na, na, na
Na, na, na, na, na ...
Oh, I'm Sorry John
Na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
